KITABOO

The Digital Textbook Platform

Boosting Learner Engagement by 3X with Al Assessments for an Optometry Training **Platform**

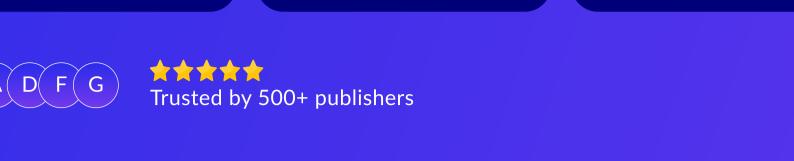

How a leading Optometry Training Provider used KITABOO's K. Al assessment tool to drive personalized learning, improve scores, and keep learners engaged.

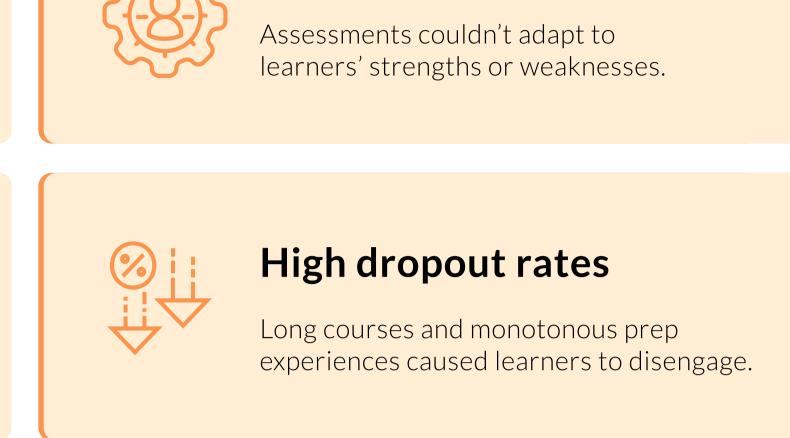

Critical Barriers

The organization faced key barriers that limited learner performance, engagement, and retention:

Low learner motivation Limited personalization

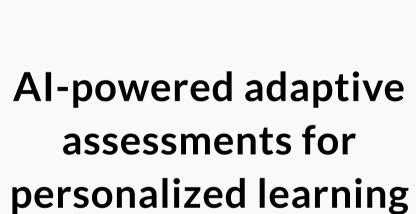

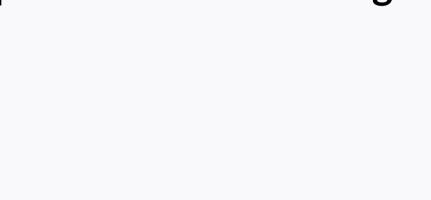

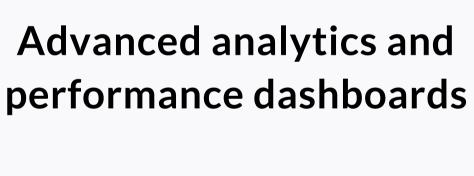

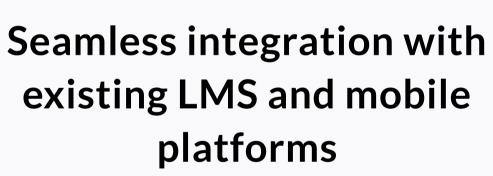

Why Choose KITABOO

Interactive and gamified

learning modules to

enhance motivation

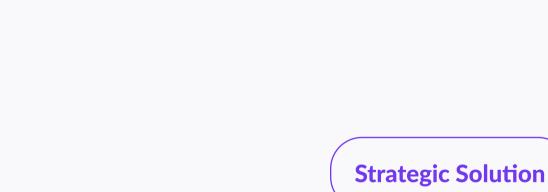

AI-Driven Adaptive Assessments

After KITABOO

3X improvement

learners challenged and motivated.

Smart question sequencing and difficulty adjustments keep

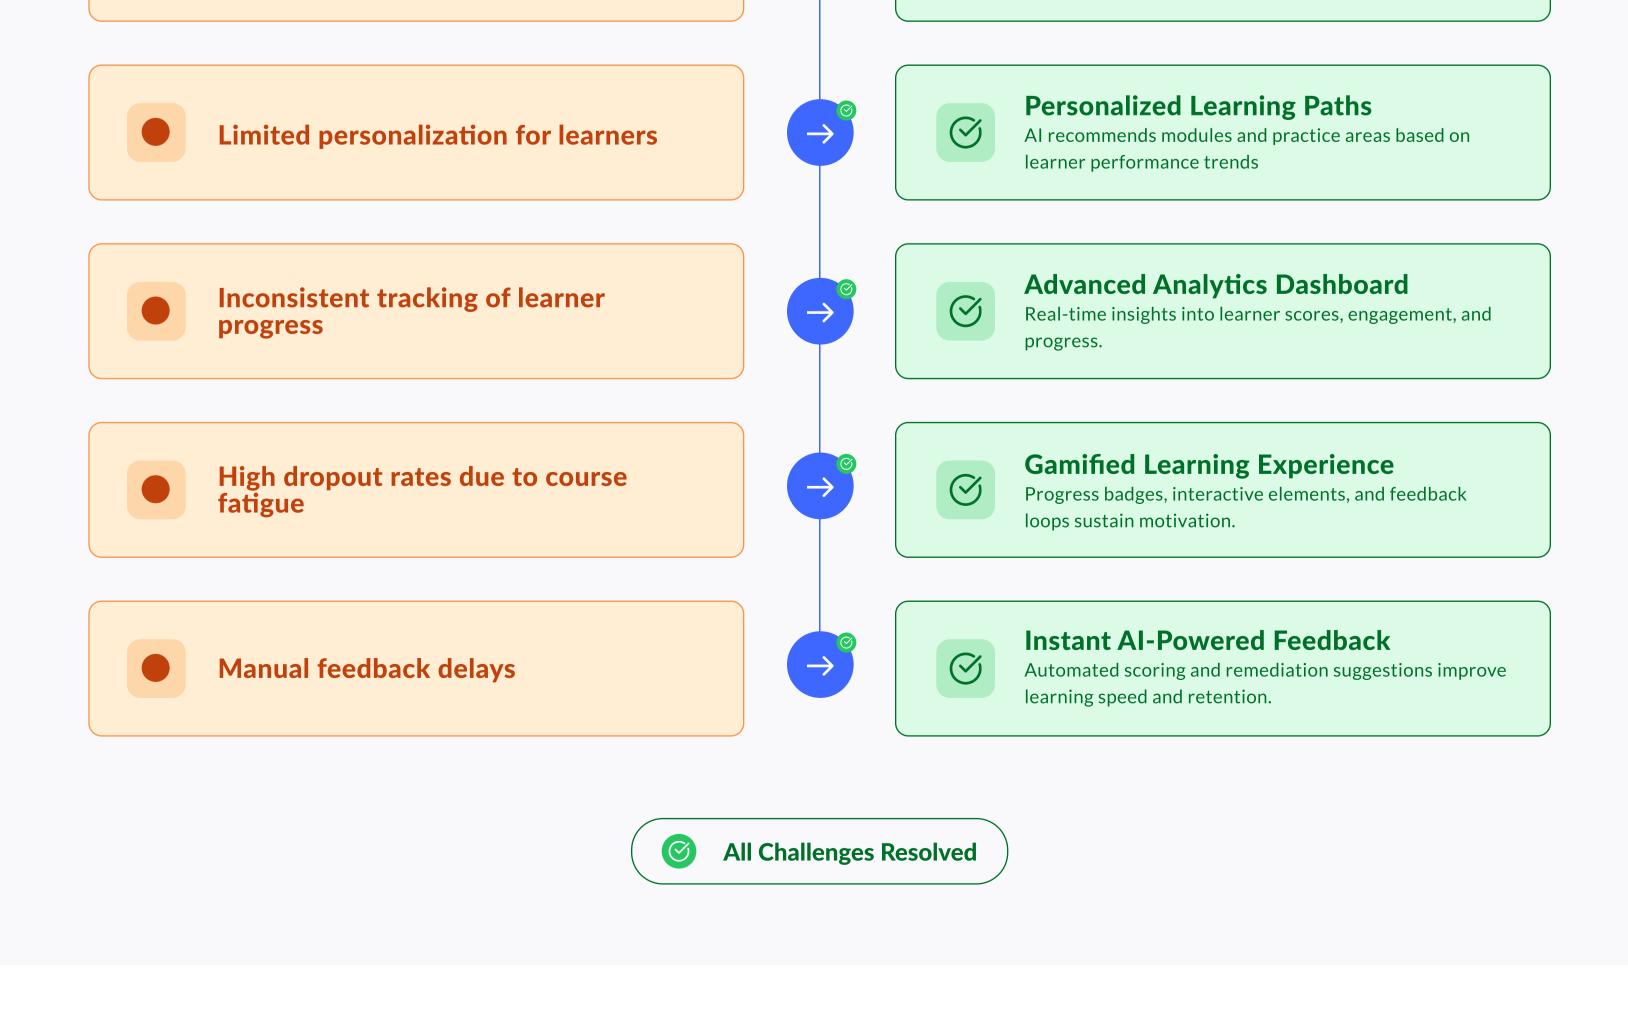

Proven scalability for large

learner cohorts

Low learner motivation and

engagement

stronger exam readiness.

KITABOO's white-label platform has empowered us to create a branded online presence for our medical content. The ability to distribute courses and eBooks directly to end users and institutions, along with the upcoming gradable activity and certificate features, is a game-changer for our business. **Steve Socransky Course Director**

KITABOO's Studio platform is very intuitive and makes creating interactive

content from basic PDF training courseware fast and easy. The addition of K.Al

further simplifies content creation, allowing users to quickly generate chapter

quizzes and summaries. With great multi-device readers and robust DRM
